NOTICE.

THE HERO OF TIPPECANOE.

Now he sheeps, and the turf is had o'er him. We're sure all well give him his doe, and claumny hinth its vile slamber. Cainst our Washington Tippecanoe. When winter had chain'd up our river, And bouldy the non-west blow; The way-him well him a nicitor, And found it with Tippecanoe.

complementation of these wordy are complementation of the contract of the cont

penbirds and sinte-pokes; maybe such train live in my diagning, but I are thoticed them yet—a bird any way is too triffing. I never did shoot at but one, and I'd never forgiven myself for that had it weighed less than forty pounds; I would'nt draw a rifle on anything less than that; and when I meet with another wild turkey of the same weight I will drap him."

"A wild turkey weighing forty pounds!" exclaimed twenty voices in the cabin at once.

exclaimed twenty voices in the cabin at once.

"Yes, strangers, and wasn't is a whopper? You see, the thing was so fat that he couldn't fly far, and when he fell out of the tree, after I shot him, on striking the ground he best open behind, and the way the pound gobs of tallow rolled out of the opening was perfectly besutiful."

"Where did all that happen?" asked a cynical looking hoosier.

"Happen! happened in Arkansaw; where else could it have happened, but in the creation State, the finishing up country; a State where the sile rons down to the centre of the 'arth, and government gives you a fille to every inch of it. Then its sire, just breather them, and they will make you snort like a horse. It's a State without a fault, it is."

The state of the s
